FROM THE PRINCIPAL

Dear Parents and Carers,

Yesterday we had a visit from **Kaboom Sports**. Kaboom Sports came as a reward for being part of the **Move Well Eat Well** Program. Our students had an awesome time participating in a range of activities plus had a high intensity warm up session. There are some photos here in this newsletter, on our Facebook page and on the Kaboom Sports Facebook page.

Parent Teacher information went home last week and many of you have returned forms to secure an appointment with your child's teacher. It is not too late to make an appointment. Please check with class teachers as the preferred appointments usually fill quickly. Appointments are available until 6:45pm on Tuesday to allow for parents to come together or to cater for working parents who cannot be here earlier. Running concurrently to the parent teacher meetings will be our annual Book Fair. This is a great opportunity to get some books for your family or even buy an early Christmas present. This is a fundraiser and the money is then used to purchase books for the school library.

Tomorrow morning at 9:30am we have the **Ditto Keep Safe Adventure** show for Kindergarten - Grade 2 students from the Bravehearts Foundation. This program helps students understand the importance of personal safety. Parents are welcome to come along and join the session and the presenters are also available for a Parent Information session at 9:00am. For further information about the session please refer to the letter that went home with all K-2 students last week.

Thank you to all those who have collected **Earn & Learn** stickers for us. We are extremely grateful. These stickers are used to purchase teaching resources from Modern Teaching Aids. MTA offer a wide range of teaching resources and each year we focus on a specific curriculum area such as mathematics. All stickers need to be handed in as soon as possible after the end of distribution on June 25th.

Our **School Association** are undertaking a process of developing policies to guide aspects of how our school operates. In most instances we follow the Department of Education policy but there are some that we can add our information to. Recently a Uniform Policy was adopted which adheres to the DoE policy but includes our school uniform information. Copies of policies are available for parents to read, just ask at the school office.

Kind regards
Chris Brown
