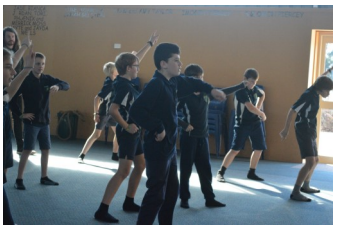
FROM THE PRINCIPAL

DEAR PARENTS AND CARERS,

How exciting was last Friday. We held our first Father's Day breakfast along with Footy Colours Day. The Father's Day breakfast along with the Father's Day stall were both fundraisers for our chaplaincy programme. All together both events raised $555.00. Footy Colours Day raised $171.60 for the SRC to donate to Kids with Cancer. A great effort all round.

NAPLAN results are out. Whilst we haven't had time to delve deeply into the results a number of students have done extremely well. This year with the change from paper based testing to online testing it will be much harder to compare with previous results. Individual student reports will be sent home to families in the next week. Once we have completed a more in depth analysis I will be able to share more information. If you have any questions about your child's NAPLAN report please talk to your child's teacher.

Our Westbury180 celebration is getting closer. Accompanying this newsletter is an opportunity for you to leave your mark on our school. You can have your name etched on to a paving stone. Pavers need to be purchased for $10.00 and can have up to three names on them. The current pavers were a fundraiser a number of years ago and attract a lot of attention and conversation. This is a great chance to have your name carved into our school history.



Yesterday we had the first day of our Happy Habits week. It was wonderful to see the Grade 5/6 class get into their dance moves.

Today Grade 3/4 and 5/6 spent the morning with Tasmanian author Lian Tanner. A group of students were able to spend extra time with Lian to learn some more specific skills about writing.

Kind regards

Chris Brown

Chaplain's News

It was so great to see so many dads and their children come along to the Father's Day breakfast. They were able to enjoy egg and bacon rolls, fruit salad cups, tea, coffee and juice.
Thank you to all who helped on the day in making this possible and to everyone who attended, I hope dads had an awesome Father's Day.
Between recess and lunch, students were able to purchase a gift for their father or significant person to give as a gift on Father's Day. It was really good to see the children thinking about what they would purchase for their fathers.
We were able to raise $430 for the chaplaincy program here at Westbury Primary School.
I would like to say thank you for the continued support of this program and also the continued support that I receive both from staff, parents and the community. I would not be able to do all that I do with out this support.
On Saturday I attended an afternoon tea for the Samaritan's Shoebox Appeal where I had a chaplaincy stall with items that could be purchased to put in the shoeboxes. I was able to raise another $200 for the chaplaincy program and also share with people about the work of chaplaincy within the school.
Thank you again for your ongoing support.

On the weekend Henry, Flynn and Mrs Brown competed at the Flanagan and Chugg Taekwondo Championships at Newstead College.

Flynn did a great job at his first competition, placing 2nd in Sword Combat in his age group.

Henry placed 1st in Jumping High Kick and Sword Combat.

Mrs Brown, who is a 4th dan black belt and an instructor, officiated for the junior events in the morning and then competed in the senior events in the afternoon.

Flanagan and Chugg Taekwondo run classes in the GP Hall here at Westbury Primary School on Wednesdays from 4:30-
